

Mountain Pass Solutions Names New Board Member
Technical & Business Advisor Thomas Anderson Joins MPS Board

Ann Arbor, MI – August 15 – As an emerging leader of Faculty Lifecycle Management Solutions, Mountain Pass Solutions today announced the continued expansion of its Strategic Leadership Team with the appointment of Thomas Anderson, Ph.D. to the Company’s Board of Directors. As a long-standing and well-recognized member of the technical and Entrepreneurial community, the appointment of Anderson further strengthens the strategic vision and management of the company.

“Through vast amounts of hard work and due diligence, Mountain Pass has been able to develop solutions that are meaningful today in the Higher Education marketplace and our success to date has been nothing short of amazing”, said Dave Morin, Mountain Pass Founder and Chairman. “Being able to attract an experienced and insightful individual such as Tom ensures we are well prepared for the next phase of our growth.”

Mountain Pass Solutions’ products and services provide best-of-breed solutions for automating the full and complete Lifecycle of Faculty Administration Management. From robust full views of Faculty members through Faculty Profiles and automated workflows for the Appointment, Promotion and Tenure Management process, Mountain Pass provides scalable solutions that meet the needs of all sizes; from Community Colleges to the largest Universities in the Country.

“The Mountain Pass team has worked diligently to create not only a very efficient solution, but one that is incredibly robust no matter the deployment requirement”, shared Anderson. “As the new outside member of the Board, I look forward to helping as the Company continues its expansion and growth”.

About Mountain Pass Solutions

Mountain Pass Solutions is an emerging leader of Software Automation solutions for Faculty Lifecycle Management in the Higher Education marketplace. With State of the Art software, Mountain Pass provides solutions that eliminate manual, mundane tasks that often plague Faculty Affairs Management during the Appointment, Promotion and Tenure Management Lifecycle process.
